

HEAR FOR THE HOLIDAYS CONTEST

GIVE THE GIFT OF BETTER HEARING

NOMINATE A SPECIAL SOMEONE FOR THE
ULTIMATE GIFT AND HELP THEM EXPERIENCE
BETTER HEARING THIS HOLIDAY SEASON

With hearing loss affecting 1 in 8 people within the US, almost every family feels the impact with at least one person around the dinner table struggling to engage in conversations, missing the punchline of the joke and feeling isolated when they should be at their happiest.

Whether the reason they haven't treated their hearing loss is due to the financial commitment or whether they're refusing to accept that they may have some level of hearing loss, ENT Physicians of North Mississippi is here to help.

Since opening our doors, a big part of our DNA has been giving back to our local community.

That's why, this holiday season, we're gifting one person a complimentary pair of premium hearing aids along with some special accessories.

If you have a friend or loved one that you believe would benefit from better hearing, then you can nominate them by completing the attached form.

On November 29th we'll be closing nominations and selecting a winner that will be announced shortly after.

The top 3 finalists will be invited to have a comprehensive hearing assessment, and the winner will be fit with premium hearing aid technology to ensure they have the holiday season that they deserve!

We wish you the best of luck!
